18					

## **Survey Notes:**

<b>Beaufort Code:</b>	<b>Wind Speed (mph)</b>
0	0
1	1-3
2	4-7
3	8-12
4	13-18

Note: do not survey during wind code 4 (>12mph).

<b>Background Noise Codes:</b>
0 – silent; no noise interference
1 – distant noise, but not interfering with count quality
2 – difficult to hear clearly at times; intermittent noise
3 – constant noise; low quality count

<b>Species Codes:</b>
NOBO – Northern Bobwhite
EAME – Eastern Meadowlark
WEME – Western Meadowlark
LOSH – Loggerhead Shrike
GRSP – Grasshopper Sparrow
BACS – Bachman's Sparrow
HESP – Henslow's Sparrow
FISP – Field Sparrow
DICK – Dickcissel

**Are all fields complete and legible? Double check! Triple check start time and noise code!**
